

R100 Magnetic Power Bank

UNTETHERED HIGH CAPACITY FAST CHARGING

R100 Magnetic Power Bank

The R100 power bank features 10,000mAh capacity and utilizes high-efficiency lithium polymer batteries, allowing for magnetically adhered wireless charging of 3 devices simultaneously. This power bank was specifically designed for MagSafe iPhones and Android phones that support wireless charging. The R100 supports PD/QC 20W fast charging while its built-in LED charge; meanwhile, it also supports pass-through charging for more efficiency. The back plate contains a foldable stand that can be deployed in a flash to free up your hands when watching videos or playing games. The R100 also includes multiple circuit protection mechanisms, providing round-the-clock charging with peace of mind!

Convenient Magnetically Attached Wireless Charging

The simple and stylish R100 was specifically designed for MagSafe iPhones and Android phones* that support wireless charging. Wireless charging is as easy as lightly attaching the power bank to your phone via its magnetic backing.

Efficient PD/QC 20W Fast Charging

The USB-C interface supports a maximum output of 20W and wireless charging has a maximum output of 15W. It is backwards compatible with 10W/7.5W/5W Qi wireless charging, allowing efficient and fast charging on the go!

*Android phones must support the Qi fast charging protocol. If you require magnetic attachment, please purchase a magnet compatible phone case.

Concurrently Charge 3 Devices

The R100 can charge 3 devices at the same time with a maximum output of 15W. Four LED indicators show power status at a glance to easily track charging status.

Unleash Simultaneous Charging and Gaming

The R100's powerful magnet attaches firmly to your phone. Playing games and charging horizontally is no problem as you say goodbye to tangled cables!

Highly Efficient Pass-Through Charging

Not enough time but want to charge your power bank and device together? The R100 supports pass-through charging for more efficiency.

Free Your Hands Free Yourself

The thoughtfully designed back plate folds into a foldable stand in a flash, allowing you to watch videos while charging. The R100 is lightweight, easy to carry, easy to store, and frees your hands for multi-tasking.

Multi-Circuit Protection

The R100 sports intelligent internal circuitry that protects against over-charge, over-discharge, over-temperature, short-circuiting, over-voltage, and over-current, giving you complete peace of mind.
