Unfold the power of this lightweight, pocket-sized keyboard with its unique, split, ergonomic design, reliable Bluetooth® 5.1 wireless technology, and multi-device connectivity. Powered by a rechargeable 100 mAh battery, you can type for hours at a time. Compatible with most platforms, you'll be able to write code, send emails, or work on your book from anywhere you want.

For an added benefit, this keyboard features Targus DefenseGuard™ Antimicrobial Protection\*, which creates a cleaner surface and works continuously to protect the keyboard by preventing the growth of microorganisms. Unlike topically applied sprays, Targus DefenseGuard keyboards are treated with an antimicrobial additive that does not wear off and lasts for the life of the product.
